Welcome "Back"!

Some Principles

Nobody signed up for this.

The humane option is the best option.

We cannot just do the same thing online that we did when we were together.

We will prioritize flexible activities that will be accessible to all.

We will remain flexible and adjust to the situation.

This moment is isolating. Please
engage as much as possible.

Consider what privilege you have
and use it to help each other.

This class is a room with a high-quality floor and tall ceilings.

Let's be kind to ourselves & each other.
